## **Billing Solutions Inc. Announces Creation of Verification Hub™ [www.bankvod.com](http://www.bankvod.com)**

CHICAGO--(BUSINESS WIRE)--March 1, 2012--Billing Solutions Inc., the leading provider of Third Party Risk Analytics for the Banking and Mortgage Brokerage sectors announced the launch of the industry's first Web Based ,Third Party **Verification Hub™**. [WWW.BANKVOD.COM™](http://WWW.BANKVOD.COM) was launched in March 2006 to allow members to perform a Verification of Deposit, Quality Control Audits, Loan Payoff or Business Credit Inquiry through a single resource. We are proud to announce the availability of IRS, SSN and Employment Verification through BankVOD Data Due Diligence.

With over 100,000 Mortgage Brokers, Banks and Merchants accessing their services on a monthly basis, Billing Solutions is involved in over 90% of the major bank's Third Party Verifications. Verification Hub™ [WWW.BANKVOD.COM](http://WWW.BANKVOD.COM) addresses the pressing need of replacing slow inefficient, multi vendor third party support with a One Stop, Web Based Expedite Source.

[WWW.BANKVOD.COM™](http://WWW.BANKVOD.COM) offers the following features and functionality:

### **Single Transaction Hub**

Single transaction hub for the vital areas of the loan process: Verification of Deposit, Quality Control Audits, Loan Payoff, Business Credit Inquiry, IRS, SSN, Occupancy and Employment Verification.

### **Improve Your Bottom Line**

Improve your bottom line with the ability to reconcile cost of doing business. Saves on processing time, which allows you to field more prospects.

### **No Enrollment or Monthly Fees**

No enrollment or monthly fees! Save money by conveniently only paying for what you use - nothing more, nothing less. We are not a Third Party Reseller .

### **Secure, State of the Art Data Exchange**

SSAE16 Type 2 and PCI Compliant with highest level of SSL Encryption. Compliant with and audited by the Top US Bank's safe data handling standard.

## Company Profile:

BSI is the leading provider of premium Risk Assessment and Data Due Diligence programs for the Financial Industry and Fortune 500 Companies. Our services include: Web Based Asset Verification Platforms with an array of complementary services such as SSN, IRS validation & fraud control, Data Analytics, Occupancy and Employment/ Income Verification.

Our mission is to design and implement state of the art, secure desk top decision making tools that allow our clients to maintain a profitable operation. We have the answers for the challenges facing today's business environment.

With over 30 years of industry experience, Billing Solutions was formed to address the needs of the premium customer support industry. BSI is comprised solely of former AT&T pay per call Sales and Marketing leaders, who were instrumental in building and developing intelligent customer solutions for the Financial, High Tech and Government Market segments. Many of our programs have been in place for over a decade and are vital functions within the industries we serve.

BSI takes a consultative approach to your business with a "Best in Class" track record for developing secure platforms, marrying the needs of our Banking Clients with that of our Registered End Users .

We are headquartered out of Illinois with branch offices on the East and West Coasts.
